SKILLS

- Artificial Intelligence
- Python Programming
- Machine Learning
- Data Analysis
- Problem Solving
- Critical Thinking

Ikono Ubong Joseph

→ ARTIFICIAL INTELLIGENCE

UB PRO TECH

ABOUT ME

I am an AI enthusiast with a strong passion for technology and innovation. I specialize in using artificial intelligence to solve real-world problems, build intelligent systems, and create value through smart solutions. I am committed to continuous learning and growth in the field of AI.

EXPERIENCE

(2020 - 2023)

AI Intern

UB PRO TECH

- Developed and implemented AI models for real-world applications
- Worked on data preprocessing, model training and evaluation
- Contributed to innovative solutions in AI and automation projects

(2023 - 2025)

AI Research Assistant

UB PRO TECH

- Researched and explored advanced machine learning techniques
- Assisted in building intelligent systems and prototypes
- Collaborated on AI projects for business and community impact

EDUCATION

• **B.Sc. Computer Science**

FUASK University

Completed in 2024

• **Diploma in Artificial Intelligence**

FUASK University

Completed in 2022
