

SHALOM JOSHUA

AI PHOTO EDITOR & JUNIOR GRAPHIC DESIGNER

Jalingo, Nigeria | 07037739727 | ShalomJoshua050@gmail.com

PROFESSIONAL SUMMARY

Motivated university student with practical experience using AI tools for photo editing, image enhancement, and basic graphic design. Familiar with ChatGPT and Gemini and interested in entry-level remote opportunities involving creative digital tasks. Eager to learn, follow instructions carefully, meet deadlines, and continue improving through hands-on projects. Seeking an opportunity to contribute honestly while building professional experience.

KEY SKILLS

- AI-assisted photo editing and image enhancement
- Basic AI-assisted graphic design
- Creative visual content development
- Using ChatGPT and Gemini to support creative workflows
- Attention to detail and willingness to learn
- Following briefs and responding to feedback

EDUCATION

Taraba State University, Jalingo

Undergraduate student, Integrated Science Education

West African Senior School Certificate (WAEC)

Secondary school qualification

PERSONAL PRACTICE & PROJECTS

- Practise AI-assisted photo editing and image enhancement using tools such as ChatGPT and Gemini.
- Explore basic graphic design and visual content creation with AI-supported tools.
- Continue building a portfolio of sample edits and designs to demonstrate skills to potential clients.

EXPERIENCE

Entry-level candidate. No formal client or employment experience yet; currently developing skills through independent practice and personal projects.

CAREER OBJECTIVE

To secure a beginner-friendly remote opportunity in AI-assisted image editing, basic design, or digital content support, while learning from feedback and delivering reliable work.
