PROFILE

Creative designer and digital content creator focused on graphic design, AI-assisted video creation, short-form content and social media visuals. I enjoy turning ideas into clean, engaging and attention-grabbing visual content for brands, creators and online businesses.

EXPERIENCE

Independent Creative Designer & Content Creator
2022 – Present

Graphic Design • AI Video Creation • Video Editing • Social Media Content

- Created graphic designs for social media, promotional content, thumbnails and digital marketing.
- Developed AI-assisted video concepts and short-form visual content using modern creative tools.
- Produced story-driven AI video projects for the DramaLab creative project, focusing on character consistency, storytelling and audience engagement.
- Created concept advertisements and portfolio pieces demonstrating product presentation, visual direction, pacing and commercial storytelling.
- Edited and prepared content for social platforms, with attention to hooks, visual quality and audience retention.

CORE SERVICES

Graphic Design Social media graphics, promotional designs, thumbnails and digital visuals.

AI Video Creation AI-generated scenes, visual concepts, storytelling and short-form advertisements.

Video Editing Short-form edits, pacing, captions, transitions and social-ready content.

Content Creation Creative concepts and visual content designed for online audiences.

Social Media Design Brand-focused visuals for Instagram, TikTok, Facebook, LinkedIn and YouTube.

SELECTED PORTFOLIO PROJECTS

DramaLab — AI Storytelling Project

An ongoing creative project using AI-generated visual storytelling and anthropomorphic characters. Work includes story development, scene planning, reference-image direction, AI video generation and editing.

VOLTÉ — Spec Advertisement

A fictional product advertisement created as a portfolio demonstration of AI-assisted commercial video, visual direction, product presentation, storytelling and short-form marketing.

Social Media & Graphic Design Collection

A collection of promotional graphics, social-media designs, thumbnails and digital marketing visuals created to demonstrate layout, typography, visual hierarchy and audience-focused design.

Short-Form Content

Creative video concepts designed for TikTok, YouTube Shorts, Instagram Reels and other social platforms, with emphasis on strong openings, clear messaging and engaging visuals.
