- IBM: skills build/Artificial intelligence(ongoing)
- AI basics:-(GenAI for youth) issued by Goodwall/Yoma/Microsoft

CORE SKILLS

- Outstanding communication (verbal/written), active listening, and collaboration in multicultural/team settings.
- Data Annotation Fundamentals
- Image Labeling & Text Annotation
- Attention to Detail
- Fast Learning & Adaptability
- Quality Control Awareness
- Audio & Visual Analysis
- Time Management
- Web3 & AI Enthusiast
- Digital Tools Proficiency

PROJECT READINESS FOR AI & DATA ANNOTATION

- Ability to follow detailed instructions precisely
- Strong visual and listening accuracy
- Experience working with digital platforms and remote tasks
- High concentration level for precision-based work
- Quick mastery of new tools and workflows
- Fast comprehension of new concepts
- Reliable and deadline-driven
- Strong analytical mindset
- Self-motivated remote worker

HOBBIES & INTERESTS

Music, singing, content creation, video editing, browsing/internet research, reading, and continuous self-study — fueling creativity, tech proficiency, and a passion for engaging in storytelling and support.
